

ASSOC. PROF. ROBERT BASAZA MD (MAK, UGANDA), MSc-HE (YORK, UK), PhD (GHENT, BELGIUM)
 PO BOX 27450, Kampala, Uganda. Tel +256-701 428474, Email: rbasaza@gmail.com;
rbasaza@ihisu.ac.ug; skype: robert.basaza1. Nationality: Ugandan, DOB: 12 September 1961;
 Languages: Very fluent in English (S/R level 5), Fluent in Swahili (S/R level 3).

Personal statement

A successful, driven and dynamic public health physician and health economist with over 31 years' work experience and research interests in health systems in particular primary care, health financing and economics, policy, planning and management; with specific research interests in economics of the health sector with a focus on financing and economic evaluation, non-communicable diseases and tuberculosis control. An experienced University academic focused on developing and delivering effective academic programs that are evidence based with a purpose of increasing quality of graduate health care workers with over 18 years' University teaching experience. Effective communicator with expertise in building strategic and empowerment alliances with diverse communities and different shades of life. Passionate about team work, multi-disciplinary collaboration, capacity building and knowledge transfer and applied research.

1. Academic and professional qualifications

Qualifications	Duration	Subjects studied
