## WORK EXPERIENCE

October 2015 - Present

**Part time Lecturer**

Islamic University in Uganda – Kampala Campus, Department of Microbiology, P.O. Box, 7689, Kampala.

Activities and responsibilities

- Teaching
  - Developing and/or updating of course outline
  - Preparation of lectures, projects or other student assignments
  - Preparation of scheme of work to be followed for the duration of each course and submit a copy to the Head of Department before the course begins
  - Giving students feedback on their assignments and arrange for remedial assignments for underperforming students
  - Prepare and guide students on approaches to examinations and university assignments generally
  - Participate in departmental, faculty meetings and workshops
- Examinations
  - Setting, marking, and grading students assignments and exams in timely manner
  - Writing examination reports for faculty/departmental review
  - To engage in examination duties, i.e. production of examination questions/papers, and moderation
- Research and Publication
  - Conduct research which enhances the University's high reputation, as a research-led institution by investigating new areas of research interest.
  - Present research findings as a publication in conferences/reputable journal/monograph

February 2014 - Present

University

**Assistant Lecturer**

Kampala International University - Western Campus, Department of Microbiology and Immunology. P.O. Box 71, Bushenyi, Uganda.

Activities and responsibilities

- Teaching
  - Developing and/or updating of course outline
  - Preparation of lectures, projects or other student assignments
  - Preparation of scheme of work to be followed for the duration of each course and submit a copy to the Head of Department before the course begins
  - Giving students feedback on their assignments and arrange for remedial assignments for underperforming students
  - Prepare and guide students on approaches to examinations and university assignments generally

- Participate in departmental, faculty meetings and workshops
- Examinations
  - Setting, marking, and grading students assignments and exams in timely manner
  - Writing examination reports for faculty/departmental review
  - To engage in examination duties, i.e. production of examination questions/papers, and moderation
- Research and Publication
  - Conduct research which enhances the University's high reputation, as a research-led institution by investigating new areas of research interest.
  - Present research findings as a publication in conferences/reputable journal/monograph

#### University

October 2015 - Present

#### Part time Lecturer

St. Augustine International University, Department of Microbiology and Immunology. P.O. Box 26687, Kampala, Uganda.

Activities and responsibilities

- Teaching
  - Developing and/or updating of course outline
  - Preparation of lectures, projects or other student assignments
  - Preparation of scheme of work to be followed for the duration of each course and submit a copy to the Head of Department before the course begins
  - Giving students feedback on their assignments and arrange for remedial assignments for underperforming students
  - Prepare and guide students on approaches to examinations and university assignments generally
  - Participate in departmental, faculty meetings and workshops
- Examinations
  - Setting, marking, and grading students assignments and exams in timely manner
  - Writing examination reports for faculty/departmental review
  - To engage in examination duties, i.e. production of examination questions/papers, and moderation
- Research and Publication
  - Conduct research which enhances the University's high reputation, as a research-led institution by investigating new areas of research interest.
  - Present research findings as a publication in conferences/reputable journal/monograph

#### University

November, 2009 – January, 2014

#### Teaching Assistant

Kampala International University - Western Campus, Department of Microbiology and Immunology. P.O. Box 71, Bushenyi, Uganda.

Activities and responsibilities

- Teaching
  - Developing and/or updating of course outline
  - Preparation of lectures, projects or other student assignments
  - Preparation of scheme of work to be followed for the duration of each course and submit a copy to the Head of Department before the course begins
  - Giving students feedback on their assignments and arrange for remedial assignments for underperforming students
  - Prepare and guide students on approaches to examinations and university assignments generally
  - Participate in departmental, faculty meetings and workshops

- Examinations
  - Setting, marking, and grading students assignments and exams in timely manner
  - Writing examination reports for faculty/departmental review
  - To engage in examination duties, i.e. production of examination questions/papers, and moderation
- Research and Publication
  - Conduct research which enhances the University's high reputation, as a research-led institution by investigating new areas of research interest.
  - Present research findings as a publication in conferences/reputable journal/monograph

#### University

2008 - 2009

#### Volunteer Medical Laboratory Technologist

AIDS Information Centre - Jinja (AIC - JINJA). P.O Box 5129, Jinja, Uganda.

Activities and responsibilities

- Human Immune Deficiency Virus (HIV) and Tuberculosis diagnosis
- CD4 counting and monitoring using a BD Facs count machine
- Community health education and outreaches on HIV voluntary counselling and testing

#### Non-Governmental Organisation (NGO)

2006 - 2009

#### Volunteer Research Assistant

Makerere University, Department of Microbiology & Parasitology. P.O. Box 7062, Kampala, Uganda.

Activities and responsibilities

- Assist in preparation of practical materials and teaching microbiology practicals
- Assist in administration and invigilation of microbiology practical examinations
- Assist in supervision of student on laboratory placements or training
- Assist in analysis of laboratory samples referred from hospitals for diagnosis of microbial infections
- Assist in analysis of microbiological research samples as directed by the research leader.

#### University

## EDUCATION AND TRAINING

---

2011 – 2013

#### Master of Science in Microbiology

Second Class  
Honours-Upper  
Division

Kampala International University - Western Campus P.O Box 71, Bushenyi, Uganda.

Principal subjects covered or skills acquired

- Advanced general Microbiology
- Biostatistics and computer applications in biomedical research
- Medical bacteriology
- Medical mycology
- Medical parasitology
- Medical virology
- Microbial immunology and immunochemistry
- Pharmaceutical microbiology
- Research/microbiological methods
- Water and waste management
- Seminar presentation and Research project

2005 - 2008

#### Bachelor of Biomedical Laboratory Technology

Second Class  
Honours-Upper  
Division

Makerere University, P.O Box 7062, Kampala, Uganda.

Principal subjects covered or skills acquired

- Bioethics, human rights, laboratory safety and procurement
- Instrumentation principles and techniques

- Microscopy and microphotography
- Functional anatomy and physiology
- Applied chemistry and biochemistry
- Histology, histopathology and histochemistry
- Hospital attachment I (General laboratory practice, routines and management)
- Principles of quality control and assurance
- Biomedical microbiology
- Biomedical parasitology
- Haematology and blood transfusion science
- Clinical chemistry and clinical pathology
- Hospital attachment II (Histology, histopathology and histochemistry)
- Hospital attachment III (Biomedical Microbiology)
- Hospital attachment IV (Serology, immunology and immunochemistry science)
- Applied nutrition and food laboratory science
- Molecular biology and biotechnology fundamentals
- Genetics, breeding and gene bank technology
- Pharmacology and chemotherapeutic technology
- Hospital attachment (Haematology and blood transfusion science)
- Biostatistics
- Plant biology museum and herbarium technology
- Environmental toxicology and aquatic laboratory
- Laboratory computing and information technology
- Research methods and communication skills
- Hospital attachment V (Molecular biology and biotechnology)
- Hospital attachment VI (Clinical chemistry and clinical pathology)
- Laboratory and captive animal management
- Biologicals and vaccine production
- Diagnostic endocrinology and reproductive health
- Principles of epidemiology and disease prevention
- Special clinical and diagnostic technologies
- Project planning and management
- Management and entrepreneurship
- Special research project

2003 - 2004 **Uganda Advanced Certificate of Education (UACE)**

Midland High School - Kawempe, P.O Box 11236, Kampala.

Principal subjects covered

- Physics, Chemistry, Biology, Agriculture and General Paper

1999 - 2002 **Uganda Certificate of Education (UCE)**

Bwikya Secondary School, P.O Box 332, Hoima.

Principal subjects covered

- English, Mathematics, Physics, Chemistry, Biology, Agriculture, Accounts, Christian Religious Education and Health Science

Division 1

09<sup>th</sup> – 10<sup>th</sup> April, 2013 **Certificate of Attendance in Integrated Management of Malaria**

Surgipharm Uganda Limited, Uganda Malaria Partnership (UMP).

Skills acquired

- Malaria diagnosis and management skills

28<sup>th</sup> July– 5<sup>th</sup> September, 2008 **Certificate in Computer Application Skills**

Makerere University, P.O Box 7062, Kampala, Uganda.

Skills acquired

- Computer application skills

11<sup>th</sup> July – 2<sup>nd</sup> August, 2008

**Certificate of merit in Trainer of Trainees (T.O.T) course**

Youth Action Movement (YAM), Reproductive Health Uganda (RHU).  
Skills acquired

- Pre-workshop planning and training skills

July 20<sup>th</sup>, 2008

**Certificate in Project proposal, Report & Curriculum Vitae (CV) writing**

International Reading Association (IRA).  
Skills acquired

- Project proposal, Report & Curriculum Vitae (CV) writing skills

2<sup>nd</sup> – 26<sup>th</sup> June, 2008

**Certificate of merit in Voluntary counselling and testing counsellor's course (VCT) for HIV**

Youth Action Movement (YAM), Reproductive Health Uganda (RHU).  
Skills acquired

- HIV counselling and testing skills

**PERSONAL SKILLS**

**Mother tongue(s)** Runyakitara

**Other language(s)**

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1/C2	C1/C2	C1/C2	C1/C2	C1/C2
Uganda Certificate of Education. Credit six (C6)					

**Communication skills**

Good communication skills

- Gained through my experience as Medical Laboratory Technologist and Lecturer in different universities

**Organisational / managerial skills**

Team leader

- Gained through working with AIDS Information Center in community health education and outreaches on HIV counselling and testing

**Job-related skills**

Medical laboratory diagnostic skills, teaching, and research.

- Gained through working in a medical laboratory, teaching in different universities, and conducting research.

**Digital competence**

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem solving
Independent User	Independent User	Independent User	Independent User	Independent User
Certificate in Computer Application Skills				

- Good command of office suite (word processor, spread sheet, presentation software) acquired through training and continued use of computer

- Other skills** Curriculum assessment and review skills
- Gained through working as Curriculum Reviewer with Uganda National Council for Higher Education (UNHCE).

---

**ADDITIONAL INFORMATION**

- Publications** **Tibyangye, J., Okech, A.M., Maniga, N.J and Nakavuma, J.L. (2015).** In vitro Antibacterial Activity of *Ocimum suave* Essential Oils against Uropathogens Isolated from Patients in Selected Hospitals in Bushenyi District, Uganda. *BMRJ*. 8(3): 489-498.
- Presentations** Antimicrobial Activity of *Ocimum suave* Essential Oils against Uropathogens Isolated from Patients in Selected Hospitals in Bushenyi District, Uganda at MakCHS Joint Annual Scientific Conference, 2013.
- Conferences** Multidisciplinary approach to impact health care in the era of HIV/AIDS, Uganda Society for Health Scientist, Case Western Reserve University, School of Medicine.
- Honours and awards** MESAU/MEPI Consortium one year Masters Fellowship supported by Grant Number 5R24TW008886, OGAC, NIH and HRSA.
- Memberships** Allied Health Professionals Council, Ministry of Health, Uganda.
